Chapel Hill High School launched its Advanced Placement Magnet Program in the fall of 2014 to provide increased opportunities for students looking to accelerate their learning. Students throughout Douglas County may apply for the AP Magnet Program at Chapel Hill during fall of their 8th grade year. Since the program is not a cohort, students throughout the county may apply for the AP Magnet program as a freshman, sophomore, junior, or senior.

Chapel Hill High School added AP Capstone to its Advanced Placement Magnet Program in 2016-2017. AP Capstone is a diploma program that enhances the AP student's college preparation experience by adding an independent research component. Advanced Placement students who wish to be considered for the AP Capstone Diploma must take two additional AP courses: AP Seminar and AP Research.

Admissions Process

Students throughout Douglas County may apply for the AP Magnet Program at Chapel Hill during fall of their 8th grade year. Any student in the district for Chapel Hill may choose to participate in the magnet program without going through an application process.

In the selection process, Chapel Hill uses a rubric and considers all parts of the application: essays, teacher recommendations, extra-curricular involvement, discipline, attendance, Lexile and ELA scores, grades, and rigor of courses.
