Community

To meet the needs of a growing population, Chapel Hill High School opened in 1999 as the fourth high school in Douglas County. The school is located on Chapel Hill Road in the southeast section of the county. Chapel Hill is currently composed of approximately 1,300 students and competes in Region 5AAAA for sports and activities.

Curriculum

Chapel Hill operates on a 4 x 4 schedule, with students completing four classes each semester. Classes are 95 minutes, and students take final exams at the end of each semester. The school offers a wide variety of classes, including advanced academics, fine arts, and Career, Technical and Agricultural Education (CTAE).

Magnet

Chapel Hill High School launched its Advanced Placement Magnet Program in the fall of 2014 to provide increased opportunities for students looking to accelerate their learning. Students throughout Douglas County may apply for the AP Magnet Program at Chapel Hill during fall of their 8th grade year. Since the program is not a cohort, students throughout the county may apply for the AP Magnet program as a freshman, sophomore, junior, or senior.

Chapel Hill High School added the AP Capstone Program to its Advanced Placement Magnet Program in 2016-2017. The AP Capstone Program is a diploma program that enhances the AP student's college preparation experience by adding an independent research component. Advanced Placement students who wish to be considered for the AP Capstone Program must take two additional AP courses: AP Seminar and AP Research.

Five students in the CHHS Class of 2018 earned the AP Capstone Diploma, which requires an exam score of three or higher in AP Seminar and AP Research and a score of three or higher on four additional AP exams. One student earned the Capstone Certificate, which requires a score of three or higher in AP Seminar and AP Research.

Mission

The mission of Chapel Hill High School is to serve our community by empowering our students to be respectful and successful global citizens through educational excellence.
