### What is a School - Parent Compact?

The School-Parent Compact is an agreement that parents, students, school staff and teachers develop together. It explains how parents, students, and teachers will work together to make sure all our students reach grade-level standards.

The Chapel Hill High School Parent Compact:

- Is linked to the goals on the school improvement plan
- Focuses on student learning skills
- Describes how teachers will help students develop those skills using standards-based instruction
- Shares resources parents can use at home
- Explains how teachers and parents will communicate about student progress
- Describes opportunities for parents be more involved in their child's learning.

### How is the School - Parent Compact Developed?

The parents, students, staff, and teachers of Chapel Hill High School will contribute to the ongoing development of this Compact. Teachers will be asked to suggest home learning resources, parents will be asked to add ideas to make them more specific to their needs, and students will be told what resources are available to help them be successful in high school. The Compact will be reviewed each year during parent-teacher advisement conferences and changes will be made based on input received. Parents can contribute ideas by contacting Ms. Nicole Watson.

### Building Partnerships

Chapel Hill High School provides many opportunities that parents can utilize to help their children succeed. Our Teachers, Counselors and College and Career Center Specialist work in partnership with students and parents to map out a plan for high school graduation, as well as determine next steps to ensure that our students are college and career ready. Parents are invited to attend a variety of events throughout the year to meet with teachers, counselors and advisors to discuss their child's progress towards credit completion and graduation.
